

MEN'S AUDITION MONOLOGUES

Please prepare one of the monologues below, your choice. Memorization is encouraged but not required. See Mr. Tyler or Mrs. Miles if you have questions.

Sebastian: Out of the frying pan, into the fire! The things I do for you, young lady! Now, I know what I should do! I should march you right back home to your father— *(Ariel's eyes grow wide with alarm, and she shakes her head a vehement 'no')* —so you can be miserable the rest of your life...*(sighs heavily; he just can't bring himself to stand in Ariel's way)* It's true. I got no backbone. All right, child. I'm in.

Prince Eric: Just look at the two of us, eh? What a couple of misfits. *(Ariel grins. Prince Eric stares at her a moment.)* You're a quiet girl in a noisy world. I'm a prince who'd rather be a simple sailor. We're both...*(searching for the perfect metaphor)*...fish out of water, you and me! *(Ariel blanches)* What? Did I say something wrong? I'm sorry. Who needs words anyway. A smile says just as much sometimes.
